AM plant tours in Berlin @pre-day

July 03, 15.30 - 17.30

Take the chance to visit one of 4 inspiring AM sites in Berlin!

AM tour #1: Gefertec
AM tour #2: BigRep
AM tour #3: Formlabs
AM tour #4: Mobility goes Additive

Raise questions, get inspired, and make personal contact with industry representatives.

More than 80 speakers live on stage

AM can become a game changer in the current volatile, uncertain, complex, and ambiguous world. The conference will highlight the advantages of AM in various formats, featuring leading AM experts and exciting cross-industry users. These and other thought leaders you will meet in Berlin: You can meet these and other thought leaders in Berlin.

DAIMLER TRUCK
Daimler Buses

Ralf Anderhofstadt

Head of Center of Competence AM, Daimler Truck

MT AEROSPACE

Markus Axtner

SVP Head of AM, MT Aerospace AG

BASF
We create chemistry

Martin Back

Managing Director, BASF Forward AM

CHARITÉ

Prof. Dr. Florian Beuer

Director & Chairman, Department of Prosthodontics, Geriatric Dentistry, Cranio-mandibular Disorders, Charité

BMW

Stefanus Bosch

Teamlead Design for AM, BMW Group

DB

Stefanie Brickwede

Head of AM, Deutsche Bahn / Managing Director, MgA

MTU

Dr. Karl-Heinz Dusel

Head Additive Manufacturing Technologies, MTU Aero Engines AG

EOS

Markus Glasser

Senior Vice President EMEA, EOS Group

Shell

Angeline Goh

Digital Manager Supply Chain, Shell Global Solutions

SIEMENS

Karsten Heuser

VP Additive Manufacturing, Siemens AG

MANN+HUMMEL

Juergen Jenner

Director Prototyping, MANN + HUMMEL

BUNDESWER

Sascha Hartig

Coordinator Additive Manufacturing, German Navy

stratasys

Andreas Langfeld

President EMEA, Stratasys

WÜRTH GROUP

Carina Lebsack

Head of Sustainability, Würth Group

AMGTA

Sherri Monroe

Additive Manufacturer Green Trade Association (AMGTA)

SLM SOLUTIONS

Sam O'Leary

Chief Executive Officer, SLM Solutions Group AG

CNH INDUSTRIAL
Breaking New Ground

Peter Ommeslag

Director - Industry 4.0 Global Program Lead, CNH Industrial

AIRBUS HELICOPTERS

Frank Rethmann

HoD Industrial Service Center 3D Printing, Airbus Helicopters

SNCF

Hélène Sapardanis

Project Manager Innovative Materials & Processes, Research Department, SNCF

VIESSMANN

Martin Wassmuth

Head of Production Technology, Viessmann Werke Allendorf GmbH

08.00 - 09.00	Check-in & coffee Early bird networking in the exhibition Estrel Congress Center, Sonnenallee 225, 12057 Berlin	
09.00 - 09.15	Welcome and networking kick-off Daniel Wäldchen, Member of the Executive Board, IPM AG	
09.15 - 10.00	The role of Additive Manufacturing in a VUCA world Marc Fette, CEO, Composite Technology Center / CTC GmbH (An AIRBUS Company) Sascha Hartig, Coordinator Additive Manufacturing, German Navy Volker Hammes, VP Business Build-up, BASF SE Rainer Gruenauer, Head of Application and Consulting, TRUMPF Laser- und Systemtechnik GmbH Andreas Langfeld, President EMEA, Stratasys GmbH	    
10.00 - 10.15	AM as decisive competitive advantage Dr. Kai Kuhlmann, Director Technical Functions, Powertrain Solutions, Robert Bosch GmbH Sam O'Leary, Chief Executive Officer, SLM Solutions Group AG	 
10.15 - 10.35	How Additive Manufacturing is helping CNH steer a stronger supply chain strategy Peter Ommeslag, Director - Industry 4.0 Global Program Lead, CNH Industrial	
10.35 - 11.10 Coffee break Networking in the exhibition		
11.10 - 12.00	In-house production: How to become your own supply chain Ralf Anderhofstadt, Head of Center of Competence Additive Manufacturing, Daimler Truck AG - Daimler Buses Markus Axtner, SVP Head of AM, MT Aerospace AG Christian Ochs, Head of Additive Manufacturing, Siemens Mobility GmbH	  
12.00 - 12.30	Building better parts: Dos and don'ts for designing 3d printed parts Stefanus Bosch, Teamlead Design for AM, BMW AG Series production of titanium components for the aerospace industry Dr. Thomas Bielefeld, Senior Expert Additive Manufacturing, Premium AEROTECH GmbH	 
12.00 - 14.00	Inspiring pitches, networking & lunch: Women in AM luncheon Stefanie Brickwede, Managing Director, Mobility goes Additive e.V. Simone Völcker, Founder, CEO, 3D Pioneers Challenge Sherri Monroe, Executive Director, Additive Manufacturer Green Trade Association (AMGTA)	  
12.30 - 13.45 Business lunch Networking in the exhibition		

12.50 - 13.40	Tech Talks on the Innovation Stage	
13.45 - 14.00	<p>Crossing the chasm: Sustainability as driver for the AM industry?</p> <p>Dr. Karsten Heuser, VP Additive Manufacturing, Siemens Digital Industries</p>	
14.00 - 14.50	<p>Reducing your overall carbon footprint with additive parts</p> <p>Matthias Schmidt-Lehr, Managing Partner, AMPOWER</p> <p>Frank Rethmann, HoD Industrial Service Center 3D Printing, Airbus Helicopters</p> <p>Dr. Karl-Heinz Dusel, Head AM Technologies, MTU Aero Engines AG</p>	  
14.50 - 15.15	Coffee break Networking in the exhibition	
15.15 - 17.15	<p>Workshop #1 Wie Sie die additive Fertigung gewinnbringend in Ihrem Unternehmen einsetzen können (German, Beginners)</p> <p>Prof. Dr. Frank Döpfer, Director Research Center Campus Additive.Innovationen, Universität Bayreuth</p> <p>Arvid Eirich, Head of Additive Manufacturing, DB Fahrzeuginstandhaltung GmbH</p> <p>Dominik Heinz, Head of Additive Manufacturing, druckerfachmann.de</p>	  
15.15 - 17.15	<p>Workshop #2 AM automation: Improving performance in the factory (advanced users)</p> <p>Omer Blaier, CEO & Co-Founder, CASTOR</p> <p>Dr. Marius Lakomic, Team Manager Digital AM Solutions, EOS GmbH</p> <p>Mathias Messmer, Digital Manufacturing Consultant, EOS GmbH</p>	  
15.15 - 17.15	Tech Talks on the Innovation Stage	
17.15 - 17.40	Refreshment break	
17.40 - 18.10	<p>3D printing in hospitals: Providing better patient outcomes</p> <p>Prof. Dr. Florian Beuer, Director and Chairman, Department of Prosthodontics, Geriatric Dentistry and Craniomandibular Disorders, Charité</p> <p>Dr. Neha Sharma, PhD, Oral and Maxillofacial Surgeon Scientist, University Hospital Basel</p>	 
18.10 - 18.30	<p>The power of collaboration in the value chain: A joint journey towards a successful product launch</p> <p>Martin Back, Managing Director, BASF Forward AM</p> <p>Dominik Klampfl, Gear Industrial Designer, Canyon bicycles</p> <p>Brian Crotty, Business Development Manager, rpm rapid product manufacturing GmbH</p>	  
18.30 - 22.00	<p>Evening reception in the exhibition with flying dinner, cocktails, gin, music, and after work networking</p> <p>sponsored by</p>	
		 

08.00 - 09.00	Check-in & coffee Early bird networking in the exhibition	
09.00 - 09.10	Opening of conference day 2 Daniel Wäldchen, Member of the Executive Board, IPM AG	
09.10 - 10.00	For a more responsible production: What AM can contribute Joris Peels, Vice President Consulting, SmarTech Analysis Stefanie Brickwede, Head of AM, Deutsche Bahn AG Markus Glasser, Senior Vice President EMEA, EOS Group Prof. Dr. Ingomar Kelbassa, Executive Director, Fraunhofer Research Institution for Additive Manufacturing Technologies IAPT Carina Lebsack, Head of Corporate Sustainability, Würth Group	    
10.00 - 10.15	The printed tractor: Paths to an industrialized 3D printing Tobias Fiedler, Manager Global Digital Engineering, John Deere	
10.15 - 10.30	Additive4Rail: Improving train and rail network performance, operation and maintenance Hélène Sapardanis, Project Manager Innovative Materials & Processes, Research Department, SNCF	
10.30 - 11.00 Coffee break Networking in the exhibition		
11.00 - 11.20	Challenges and chances for AM in the process industry Jens Hübner, Manager AM Hub Berlin, Siemens AG Angeline Goh, Digital Manager Supply Chain, Shell Global Solutions Dr. Daniel Urbanczyk, Senior Manager for Innovation & Prototype Solutions, BASF SE	  
11.20 - 12.00	Finding time and money on your manufacturing floor Marcus Göhl, Site Director Siemens Haguenau, Siemens AG Dr. Sonja Wolfrum, Senior Key Expert, Siemens Digital Industries Martin Wassmuth, Head of Production Technology, Viessmann Werke Allendorf GmbH	  
11.20 - 12.00	Science track: Research of today for the industrialization of tomorrow Moderation: Dr. Christian Lindemann, Managing Director, DMRC - University Paderborn Industrialization of high-speed sintering: Technology, materials, and functionalized products Dr. Christian Bay, Managing Director, Director Research Center Campus Additive.Innovationen, University Bayreuth Additive manufacturing of difficult-to-weld and to-crack-prone materials Anzhelika Gordei, Research Associate, Fraunhofer Institute for Production Systems and Design Technology IPK	  

Liquid metal printing of aluminum alloys: Game changer or just another tool in the shed?

Julia Förster, Research Associate, Fraunhofer Research Institution for Casting, Composite and Processing Technology IGCV

Tools for the giga factory

Florian Hengsbach, Affiliate MIT / Research Associate, DMRC - University Paderborn

12.00 - 13.15 Business lunch | Networking in the exhibition

13.15 - 13.50 Driving innovation: AM as enabling technology

Jürgen Jenner, Director Prototyping, MANN+HUMMEL

Christoph Völcker, Teamleader Innovation Lab – AM, Würth Elektronik Group

Dr. Sebastian Piegert, Department Lead AM, Siemens Energy

13.50 - 14.30 3D printing in series production: How to get there

Dr. Jan Sander, Expert Additive Technology, Brose Fahrzeugteile

René Muecke, Head of Production, etkon

14.30 - 15.10 Rocket science: 3D printing in space applications and beyond

Matthew Tanner, Turbomachinery Lead, Pangea Aerospace

Miguel Ampudia, R&D Manager - Product Engineer, Aenium Engineering S.L.

Tommaso Tamarozzi, Director - Head of Simulation & Product Manager Additive Inspection, Oqton

Dr. Olaf Günnewig, Head of Business Development, diondo GmbH

15.10 Wrap up and outlook for 2024

Daniel Wäldchen, Member of the Executive Board, IPM AG

Benefit from our unlimited networking opportunities

Matchmaking App

Arrange B2B Meetings with our award winning matchmaking service with AM users, AM experts, and AM solution providers. Meet up with them on-site in the B2B area.

Workshops

Discuss and work in teams with other professionals and selected experts. Exchange ideas, present results, and gain new insights into current trends of the 3d printing industry.

Exhibition

Exhibition booths, coffee bike, catering stations, and lounges are central meeting points and offer great networking opportunities to network. 90+ exhibitors will showcase their innovations. A casual atmosphere and multifold side events allow easy networking.

Evening Reception and After Work Party

What better way to network than at our great evening reception? Make new business contacts over good food and fine wines and get to know your business partners more personally.

Pre-Networking Event

Meet other participants the day before the conference. Network with over 200 AM users in a laid-back summer atmosphere @Würth Villa, Berlin Wannsee.

AM Tours

Start your visit with an excursion to one of four inspiring AM sites in Berlin. Please note: The seats are limited and only available for All Access Ticket holders.

Your ticket to exclusive networking with leading AM users and experts!

First come, first served: Secure one of the **limited seats** at our **AM Tours, Workshops** or limited tickets for our **Pre-Networking Event**. Book early: seats are limited and popular at the AM Tours, the Workshops, and the Pre-Networking event.
